

X Marks the Spot
 Designed by Kathy Darling, Project Linus Coordinator
 Kitsap County, Washington

Quilt size: 42" x 54" without borders, 48" x 60" with 3" borders

All seams are 1/4".

Use your favorite method of finishing. We usually use the envelope method:

- Cut batting the size of the top.
- Put top of quilt right sides together with the backing.
- Lay top and backing over the batting.
- Stitch all the way around the edge, leaving an 8" opening.
- Turn the quilt inside out.
- Topstitch 1/4" inside the edging for a "finished" look.
- Machine quilt, hand quilt or tie every 3 or 4 inches.
