

“X” Marks the Spot Quilt

Many thanks to Kathy Darling, PL Coordinator in Kitsap County, WA for this pattern.

This is an easy quilt to sew together because there are no corners to match up!

Quilt size: 42" x 54" without borders, 48" x 60" with 3" borders
All seams are ¼".

Use your favorite method of finishing. We usually use the envelope method:

1. Cut batting the size of the top.
2. Put top of quilt right sides together with the backing.
3. Lay top and backing over the batting.
4. Stitch all the way around the edge, leaving an 8" opening.
5. Turn the quilt inside out.
6. Topstitch ¼" inside the edging for a "finished" look.
7. Machine quilt, hand quilt or tie every 3 or 4 inches.
